We understand the challenges faced by these OSH coordinators and have developed a total solution offering to address their needs

Ikatan Total solution includes onsite 1 on 1 or small group coaching sessions conducted at their workplace. The purpose is to guide and empower OSH coordinators to internalize their learning and effectively fulfill their new roles. After the 3 days classroom session

Our experienced coaches play a crucial role in bridging the gap between junior OSH Coordinators and the leadership team. By establishing trust, they ensure the support necessary for successful safety program implementation as part of the safety journey.

On going personalized Coaching onsite sessions provide tailored guidance to address specific challenges.

A sustainable safety culture

Our Total Solution
A hybrid program consists of a 3-day classroom training followed by subsequent onsite coaching for a period of 6 months to a year.
